VERSE ONE
                        1
I once was an or-phan, I was far from home
                              6m7
When hope was a-wak-ened by a Father's song
                 5   4sus2
To sin and death I did be-long
                        1
But my Jesus lives

VERSE TWO
                        1
No debt to the dark-ness, He has paid it all
                              6m7
No name but the new name that is making whole
                        5   4sus2
In His right-eous-ness I rest my soul
                        1
For my Jesus lives

CHORUS 1
   4sus2   6m7   1
Oh yes, He lives, oh yes, He lives
                 5   4sus2
Redeeming hope by grace He gives
                 1
I know He   lives, I know He lives

**CHORUS 2 (PLAY IMMEDIATELY AFTER BRIDGE 1
and BRIDGE 2, then return to CHORUS 1 to end song)**
   4sus2   6m7   1
Oh yes, He lives, oh yes, He lives
                 5   4sus2
The heart of God to me He gives
          1   6m7   5
I know He   lives, I know He lives

VERSE THREE
                              1
Great God of the pro-mise,

In Your hands and feet
                        6m7
My heart is as-ton-ished

By the wounds I see
                        5   4sus2
The weight of sin is gone from me

BRIDGE 1
        6m7   4sus2
Oh my free-dom, oh my Fa - ther
           1/5   1add7
I'm no lon-ger a slave to fear
           6m7   4sus2
What a Savior, sing halle-lu-jah
           1/5   1
Great the mer-cy that brought me near

(repeat first three lines)

BRIDGE 2
4sus2   1
   Because He lives,
                           5   6m7
   from this broken-ness I'll rise
4sus2   1
   Because He lives,
                 5   1
I am wel-comed in-to life
     4sus2   6m7   1   5
My Lord, my God, my Lord, my God
