VERSE ONE

Lord, Your ho-ly ways I see

What is there of good in me?

But only as I am, only as I am, oh God, I come

Power-less to fix my-self

Win Your heart or earn Your love

But only as I am, only as I am, oh God, I come

CHORUS

Great is Your mer-cy, my hea-ling, Lord

Over my weak-ness, Your blood is poured

And only as I am, only as I am

Oh lamb of God, I come

Your arms are o-pen, Your grace is free

It's Your re-demp-tion that chan-ges me

And only as I am, only as I am, oh God, I come

VERSE TWO

Lord, You know the worst in me

But You have faced my judg-ment day

KEY: G | BPM: 75 | TIME: 4/4

And only as I am, only as I am, oh God, I come

All disguises I lay down

Let Your kind-ness find me out

But only as I am, only as I am, oh God, I come

BRIDGE

No fault with me You find,

The judge has served my time

Free-dom is mine, oh free-dom is mine

The sin that shed Your blood

With love You over-come

Free-dom is mine, oh free-dom is mine

VERSE THREE

In your wel-come I will rest

For You have called me righ-teous-ness

And only as I am, only as I am, oh God, I come

Not for what by grace I'll be

But as I am you've cho-sen me

And only as I am, only as I am, oh God, I come
